

On April 17, 2025, at approximately 9:30 a.m. Prosecuting Attorney, True Pearce, along with Mr. Tad Mundell, entered the Planning and Zoning office and Mr. Pearce slapped papers down on the counter, these papers being the Settlement Agreement and Release, and stated, "This permit will be issued. There will be no argument and no discussion. This case has been settled." Mr. Pearce then asked Mr. Mundell, "Is that good enough?" Mr. Mundell stated, "Yes, it should be". I, Cinthia Womack-Steele, being the only staff member in the office at the time said, "Okay", and I asked Mr. Mundell if we still had his application and plans. He said they should still be in the office. I stated okay, I would let the building official know that we had these legal papers. Both Mr. Pearce and Mr. Mundell then exited the P & Z office.
