

67-6510. MEDIATION -- TIME LIMITATIONS TOLLED. (1) The procedure established for the processing of applications by this chapter or by local ordinance shall include the option of mediation upon the written request of the applicant, an affected person, the zoning or planning and zoning commission or the governing board. Mediation may occur at any point during the decision-making process or after a final decision has been made. If mediation occurs after a final decision, any resolution of differences through mediation must be the subject of another public hearing before the decision-making body.

(2) The applicant and any other affected persons objecting to the application shall participate in at least one (1) mediation session if mediation is requested by the commission or the governing board. The governing board shall select and pay the expense of the mediator for the first meeting among the interested parties. Compensation of the mediator shall be determined among the parties at the outset of any mediation undertaking. An applicant may decline to participate in mediation requested by an affected person, and an affected person may decline to participate in mediation requested by the applicant, except that the parties shall participate in at least one (1) mediation session if directed to do so by the governing board.

(3) During mediation, any time limitation relevant to the application shall be tolled. Such tolling shall cease when the applicant or any other affected person, after having participated in at least one (1) mediation session, states in writing that no further participation is desired and notifies the other parties, or upon notice of a request to mediate wherein no mediation session is scheduled for twenty-eight (28) days from the date of such request.

(4) The mediation process may be undertaken pursuant to the general limitations established by this section or pursuant to local ordinance provisions not in conflict herewith.

(5) The mediation process shall not be part of the official record regarding the application.

67-6511. ZONING ORDINANCE. (1) Each governing board shall, by ordinance adopted, amended, or repealed in accordance with the notice and hearing procedures provided under section [67-6509](#), Idaho Code, establish within its jurisdiction one (1) or more zones or zoning districts where appropriate. The zoning districts shall be in accordance with the policies set forth in the adopted comprehensive plan.

(a) Within a zoning district, the governing board shall where appropriate establish standards to regulate and restrict the height, number of stories, size, construction, reconstruction, alteration, repair or use of buildings and structures; percentage of lot occupancy, size of courts, yards, and open spaces; density of population; and the location and use of buildings and structures. All standards shall be uniform for each class or kind of buildings throughout each district, but the standards in one (1) district may differ from those in another district.

(b) Within an overlay zoning district, the governing board shall establish clear and objective standards for the overlay zoning district while ensuring that application of such standards does not constitute a regulatory taking pursuant to Idaho or federal law.

(2) Ordinances establishing zoning districts shall be amended as follows:

(a) Requests for an amendment to the zoning ordinance shall be submitted to the zoning or planning and zoning commission, which shall evaluate the request to determine the extent and nature of the amendment requested. Particular consideration shall be given to the effects of any proposed zone change upon the delivery of services by any political subdivision providing public services, including school districts, within the planning jurisdiction. An amendment of a zoning ordinance applicable to an owner's lands or approval of conditional rezoning or denial of a request for rezoning may be subject to the regulatory taking analysis provided for by section [67-8003](#), Idaho Code, consistent with the requirements established thereby.

(b) After considering the comprehensive plan and other evidence gathered through the public hearing process, the zoning or planning and zoning commission may recommend and the governing board may adopt or reject an ordinance amendment pursuant to the notice and hearing procedures provided in section [67-6509](#), Idaho Code, provided that in the case of a zoning district boundary change, and notwithstanding jurisdictional boundaries, additional notice shall be provided by mail to property owners or purchasers of record within the land being considered, and within three hundred (300) feet of the external boundaries of the land being considered, and any additional area that may be impacted by the proposed change as determined by the commission. Notice shall also be given to a pipeline company operating any existing interstate natural gas transmission pipeline or interstate petroleum products pipeline, as recognized by the pipeline and hazardous materials safety administration, with a center point within one thousand (1,000) feet of the external boundaries of the land being considered, provided that the pipeline company is in compliance with section [62-1104](#), Idaho Code. Notice shall also be posted on the premises no less than one (1) week prior to the hearing. When notice is required to two hundred (200) or more property owners or purchasers of record, alternate forms of procedures that would provide adequate notice may be provided by local ordinance in lieu of posted or mailed notice. In the absence of a locally adopted alternative notice procedure, sufficient notice shall be deemed to have been provided if the city or county provides notice through a display advertisement at least four (4) inches by two (2) columns in size in the official newspaper of the city or county at least fifteen (15) days prior to the hearing date, in addition to site posting on all external boundaries of the site. Any property owner entitled to specific notice pursuant to the provisions of this subsection shall have a right to participate in public hearings before a planning commission, planning and zoning commission or governing board subject to applicable procedures.

(c) The governing board shall analyze proposed changes to zoning ordinances to ensure that they are not in conflict with the policies of the adopted comprehensive plan. If the request is found by the governing board to be in conflict with the adopted plan, or would result in demonstrable adverse impacts upon the delivery of services by any political subdivision providing public services, including school districts, within the planning jurisdiction, the governing board may require the request to be submitted to the planning or planning and zoning commission or, in absence of a commission, the governing board may consider an amendment to the comprehensive plan pursuant to the notice and hearing procedures provided in section [67-6509](#), Idaho Code.
