

RECALL ELECTION

Recall of WASHINGTON COUNTY Prosecuting Attorney True Pearce

Reason for Demanding the Recall of True Pearce as Washington County Prosecuting Attorney:

It is respectfully demanded that True Pearce, holding the office of Prosecuting Attorney of the County of Washington, State of Idaho, be recalled by the registered electors of the County of Washington, State of Idaho, for the following reasons:

Mr. True Pearce's actions and omissions as Washington County Prosecuting Attorney have undermined public trust in the office, including the misuse of authority in civil and criminal matters, failure to uphold consistent and impartial application of the law, and decisions that have exposed the county to unnecessary legal and financial risk. The petitioning registered electors of Washington County believe these actions and omissions represent a substantial failure to carry out the duties of the office in the public interest.

Justification of True Pearce as Washington County Prosecuting Attorney of his Course in Office:

I was elected Prosecuting Attorney to enforce the law fairly, provide independent legal advice to county officials, and protect the citizens and taxpayers of Washington County. Since taking office, I have done exactly what the voters elected me to do.

Our office has aggressively prosecuted crime and supported law enforcement. In a short time, we have sent violent criminals and rapists to prison at more than twice the rate of the previous administration and successfully tried and won multiple jury trials. Public safety and the rule of law remain our highest priorities.

I have also insisted that the county government follow its own ordinances and Idaho law. The Prosecuting Attorney's duty is not to tell officials what they want to hear, but to provide honest legal advice and ensure that the law is applied equally to everyone.

This recall effort does not arise from misconduct or wrongdoing. It stems from my insistence that county officials follow the law and the county's own ordinances. Some want a prosecutor to overlook those issues or give different answers. I will not do that.

I remain committed to enforcing the law fairly, protecting public safety, and serving the citizens of Washington County with integrity.
